The Second Week in Ordinary Time (Year C)

New Copyright Licence in Our Parish: Further to direction from our Archdiocese, the parish has now subscribed to an annual licence with “One Licence.” This allows the parish to obtain permissions for the use of copyrighted music for our choir and soloists – and congregation – to sing. This is particularly important as we broadcast Masses and liturgies via our livestream on YouTube. It also helps ensure that composers, authors, and publishers are compensated fairly for their work. You can read more about the new licence, and its impact on what is allowed to be sung at Masses, etc. on our parish website – just go to “Pastor’s Page” under “Our Parish” at dunleerparish.ie

Parish Accounts: for the year ending March 2024 have been signed off by the Archdiocese. A summary of the parish accounts will be made available to our parishioners later in January.

Parish Collections: Last weekend – Parish €1,270; Dues €700. Sincere thanks for your continued support of the parish. If you would like to begin contributing to the parish in this way, new boxes are available at the back of our churches.

Site of Old Parochial Hall: an offer has been made to purchase the site of the old parochial hall. This offer is currently being assessed to send to our diocesan office for approval.

Parish Finance Committee: meets again on Monday January 20th.
