Freedom to Live Fully, Until Death Comes:

Providing Compassionate Care at the End of Life

To address the sensitive issue of compassionate care at the end of life, and in response to the need to inform the faithful of Catholic teaching on this important life issue that affects so many families, the Bishops of Ireland have published the pastoral letter: *Freedom to Live Fully, Until Death Comes*. You are invited to read this letter and view the accompanying video *Through the Valley*, which offers personal testimonies by carers and people with terminal illness. The key message of both letter and video asserts that every person possesses inherent, infinite dignity that remains intact regardless of their circumstances. In this context, bishops strongly oppose the Oireachtas Committee's proposal to Government to legislate for assisted suicide and call on support for healthcare workers who uphold the sanctity of life. To read "**Freedom to Live Fully, Until Death Comes**" and to watch "**Through the Valley**", visit www.catholicbishops.ie, the parish website or scan the QR code below. Copies of the letter (two sides A4) are available at the back of our churches.
