### Catholic Bishops' Pastoral Letter Welcoming Migrants to Ireland

In the light of the Gospel and Catholic Social Teaching, our bishops offer this reflection on what hospitality for migrant people means in contemporary Ireland. Mindful that migration has been a central part of our history, the Letter provides a space to us as 'migrant pilgrim people' to contemplate the causes of migration, the gifts that migrants bring to our Church and our country, the economic and social issues we all face in Ireland, and the importance of encounter in building a true sense of belonging in every parish and community. You can read the letter (4 pages) on our parish website or via our parish Facebook page. Paper copies available upon request from Fr. Damien.

Death opens a door  
 out of a little, dark  
 room (that's all the life  
 we have known  
 before it) into a great,  
 real place where the  
 true sun shines and  
 we shall meet.
